WORKING HORSE CHALLENGE	Ren Letts & Shannon Mathews
EXPO GYMKHANA & TEAM HUNT	Jenny Smith & Harriet Heathcote

Chairman's welcome

The Expo Committee and Head Stewards welcome all 450 riders representing over 90 schools to the 2024 event. We are looking forward to five days of competition in thirteen disciplines at the Showground and Racecourse.

The Expo Committee has worked with other user groups throughout the year to upgrade the Cross Country track with crusher dust and shavings. The sand dressage arena has been repacked and levelled with proposed fencing after this year's event. A new washbay has been built on the highway side of the Showground for those stalled there during Expo.

Again, this year we have purchased sawdust for riders to use in their stables. The aim is to reduce the costs incurred by riders in purchasing shavings and the large amount of plastic waste generated by the bags. The Coonabarabran Primary School P&C is also trialling a recycling depot for plastic bottles and cans as a fundraiser for the school and a way we can reduce our waste during the event.

Our major sponsors this year are Furney's Feeds Dubbo and Godolphin Lifetime Care. Furneys have again donated a bag of feed for each competitor and Godolphin in addition to sponsoring our age champions is also sponsoring the Team Six Bar. I would like to thank all our sponsors - we are aware of the increasing pressure on budgets and we again thank you for your support.

The extra lighting that was sponsored by NSW Polocrosse in 2023 proved so successful that this year we have hired 8 LED lights to compliment our nighttime program. The Showground Trust has also assisted with upgrades to the permanent lighting at the Showground.

Competitors at the Racecourse will notice a permanent laneway for riders to safely ac-

cess the Showground and vice versa.

There are new permanent day yards available for competitors. Expo continues to work with the Coonabarabran Jockey Club to improve facilities at this increasingly popular area.

There have been some timetable changes this year with the School's Team of Four event being held at the Showground so as many riders as possible from Team Penning, Expo Gymkhana and Hacking can all participate without having to go to the Racecourse. The very popular Warrumbungle's Way will utilise more of the cross-country course than previous years including the large water jump.

Expo welcomed three new life members at their Annual General Meeting in February - Ross Young, Lucy Evans and Jacqui Clifton.

Many competitors may not know Ross but have ridden in many of the dressage arenas he assembles each year. This year he will be working on five arenas in the main Showground arena and eight at the Racecourse. Preferring to work quietly on his own in the weeks leading up to Expo nothing is too much trouble and Ross gets the job done without any fuss. I believe Ross has been doing this job for over 20 years - a very worthy recipient of life membership.

Lucy has been the Head Steward of Monday Dressage for over ten years. She is both passionate and progressive within her discipline introducing medium classes and the Friday Freestyle classes. Lucy is also a valued member of the Expo Committee, assistant secretary and controller of our social media platform. The energy she brings to her job inspires others and her "can do" attitude gets things done.

(Continued on page 4)

(Continued from page 3)

Jackie is the Head Steward for presentations which includes the evening presentations and the Final Parade. With over 150 rugs and 700 ribbons and rosettes to be married up with winners and placegetters you can understand the complexity of the task. Jackie is also a valued member of the office team during the event fielding queries from competitors and liaising with sponsors.

I would like to thank our community for the support given to Expo from Rotary, both the Primary and High School, our many sponsors, the Pony Club, Warrumbungle Event-

ing, the Showground Trust, Warrumbungle Shire Council, our Head Stewards and Committee and the many volunteers not necessarily represented by the aforementioned organisations who generously give of their time and expertise.

Finally, I would like to recognise the schools, teachers, team managers, parents and riders for their continued support of the event. We look forward to five days of competition representing your school in a wide range of equestrian events.

Kevin Sharp

NUTRITIONALLY
BALANCED

AUSTRALIA'S
OLDEST FEED MILL

- Our products are based on the natural goodness of Australian wholegrains, including oats, barley, corn, sunflower, cottonseed meal, lupins and a range of other materials.
- Our products are suitable for all stock feed needs, with carefully selected ingredients sourced from local farmers in the district.
- We pride ourselves on our block range, with a wide selection of dry season blocks, mineral blocks, green feed blocks and custom-made blocks. All blocks are hard-pressed, making them cost effective and long lasting.

NEW SOUTH WALES POLOCROSSE

"King of the one horse sport"

Polocrosse is an action-packed, team sport often referred to as Rugby on horseback. It is a family orientated sport with grades to cater for all levels of ability from the novice through to highly experienced and competitive riders. Polocrosse is unique in that it is a sport in which the whole family can play at the one event, often in the same team.
